If you've ever been to the Upper East Side, chances are you've passed this adorable little sweet shop called "The Sweet Shop NYC". If not, you're in for a treat!

Located between First and York Avenues on 73rd Street, The Sweet Shop combines all things vintage, retro and nostalgic. My family & I always try to make a stop to this shop whenever we're visiting the city.

During our last visit, my daughter picked out a box of gummy band-aids amongst the shelves of retro candy, which gave her such a giggle to tell others about, as well as other goodies including my chocolate covered pretzel ice cream. (Not typically on the menu, but if you ask them to make it for ya, they'll certainly hook you up with a Chinese take-out box filled of deliciousness).

Forget Willy Wonka, if you'd like to experience the Candyman for yourself, definitely add this to your list of stops next time you're visiting New York City.

The Sweet Shop, 404 East 73rd Street between 1st and York Avenues New York, NY 10021, Where the Good Stuff is!™.
