THE SWEET SHOP

The Sweet Shop is a very old-fashioned candy shop, located in the residential area of the Upper East Side. We think of The Sweet Shop as all the cool stuff, rather than having to search for it. This unique store would be heaven for anybody even remotely interested in candy. Also, the owner Kelly (also known as The Candy Man) knows a lot about candy and will tell you everything one could know about a specific candy. They also sell OddFellows ice cream which is some of the best ice cream in the city.
