5 OF THE SWEETEST NYC CANDY SHOPS

If you've had your share of the same-old, same-old Easter candies, (peeps, chocolate eggs and jelly beans, I'm talking to you), take a walk with me to discover some of NYC's unique candy shops that will give a fresh spin on your favorite sweets.

Kelly "The Candyman" Jaitme and his wife Glyn have been running [The Sweet Shop](#) on 73rd based on their love for "the sweet life". **As soon as I walked in, I felt like I was 7 years old again.** I was called straight to the gummy candies where I quickly proceeded to try the fill a bag with chicken feet and bears. My favorite purchase had to be the massive jar of assorted jellybeans that I ate half of on my way to my final stop of the day.
